

CYPRESS BAY

Starting From 4,100 SF | 3 Bedrooms / 4 Baths | 4-Car Garage

The Cypress Bay elevates single-level living. The gallery foyer provides sweeping sightlines of the heart of the home, the great room and kitchen, with a dramatic beamed ceiling and grand fireplace. An oversized island anchors the L-shaped kitchen with beautiful granite countertops, top-of-the-line appliances, walk-in pantry and family dining area. For enhanced privacy, the guest suite is located in the opposite wing of the home and includes a beautiful stepped ceiling, luxurious spa bath and walk-in closet. An exquisite owner's suite includes a spa bath with dual vanities, pedestal tub, oversized walk-in shower and generous walk-in closet with island storage. An additional bedroom suite and a flex space, which can be used as a den or library, complete the balance of this spacious ranch home.
